PETITION TO ACCEPT BLACK & WHITE PHOTOGRAPHS

Applicant hereby petitions under 37 CFR §1.84(b)(1) that the black and white photographs filed herewith be accepted. The subject matter of the invention relates to genes and methods for expressing eukaryotic and viral proteins at high levels in eukaryotic cells. The photographs in Figures 3, 5A, 5B, 5C, 9A, 9B, and 10 are necessary to accurately and clearly depict the subject matter sought to be patented.

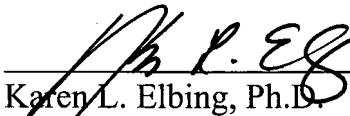

Enclosed is a check for \$130.00 to cover the fee required under 37 CFR §1.17(h) and one set of the photographs, rather than three, considering the Official Gazette Notice of June 9, 1998 in which the PTO sua sponte waived 37 C.F.R. 1.84(b)(1)(ii) to the extent

that only a single set of black and white photographs need be submitted with a petition to accept black and white photographs in lieu of drawings.

If there are any charges, or any credits, please apply them to Deposit Account No. 03-2095.

Respectfully submitted,

Date: 7 July 2000
